There are lots of exciting things going on in October in the world of School Counseling. Firstly, October is Bullying Prevention Month. Stay tuned for details about this year's poster contest. Mix It Up Day, on October 10th, is a chance for students to sit with different peers at lunch. Finally, College and Career Awareness Week is October 22nd-26th. October 15th -19th
is
National
School Lunch
Week!

Let's thank our
cafeteria staff!

We are so thrilled to once again celebrate the many diverse cultures at Maude Trevvett Elementary School! On October 23rd at 6pm, we want all Tiger families to come out and participate in our International Night. Families are invited to bring in various items like photos, maps, stamps, crafts, and food dishes, wear native attire, and possibly set up display tables in the cafeteria. There will also be live entertainment. You do not want to miss this exciting event! Look out for the International Night RSVP form coming home soon and return it saying **YES**, you want to represent your culture!

Spanish Classes

Trevvett offers a scheduled language program and we will continue with our Spanish program for kindergarten, first, and second grade students this year! We use Calico Spanish programming and we plan to incorporate storybooks, art, and edible fun! Your Principal and Associate Principal will continue to serve as the foreign language teachers!

Take your parents to PE Week October 15th-19th

During the week of Oct. 15th, parents will have the opportunity to join their children during their PE class! Parents will get an in depth look at all of the amazing fitness and health concepts that we cover. The best news of all is that they will be able to take ideas home with them, so they can continue to build healthy lifestyles. Please check in at the main office 10 minutes prior to your child's scheduled PE time. Make sure you wear your tennis shoes and proper workout clothing so you are able to participate in all of the activities alongside your child. **ALSO**, bring a photo of your family being physically active outside of school hours to place on our **#TrevvettsFitFamilies** bulletin board!

October 22nd-26th is National School Bus Safety Week!

Be sure to thank
your bus driver!
